CHOIRS:

Women's Chorus and Men's Chorus - no audition required; open enrollment and encouraged for most incoming students.

Voices, Concert Choir, Collegium, and Musical Theater Ensemble - by audition (see information below)

Chamber Choir (Extracurricular - meets Monday evenings from 6:30-8:30 and by audition)

All-School Musical (Extracurricular - auditions and production dates vary - meets after school and some evenings)

AUDITIONS:

Voices and Concert Choir: *Monday, March 2nd* from 3:00-6:00 in B126 at RV.

- Students auditioning for these choirs should have some prior facility with music reading.
- Placement into one of these choirs is not only based on the audition, but also the number of spaces available in the choir by voice part and total enrollment.
- Students auditioning should bring a song to sing with piano accompaniment. The song may be a solo of any kind or a portion of their part in a song currently being sung in a choir.
- Students will be asked to vocalize.
- Email or call Mr. Mech to schedule an audition time. If you are unable to audition on March 4th, you may schedule an audition on an alternate date during the month of March. All auditions requests should be made before March 4th.

Collegium and Musical Theater Ensemble

- Students must complete one semester of any choir before requesting these courses.
- It is suggested that students complete the course "Theater Prep" with Mr. Pliskin before enrolling in Musical Theater Ensemble.

Chamber Choir

- Students *must* be enrolled in Voices, Musical Theater Ensemble, Collegium, or Concert Choir for the coming school year to be eligible to auditions for Chamber Choir.
- Auditions will be held on *Monday, June 8th* from 6:30-8:30 in B126 at RV.
- Students will be asked to come prepared with a piece of a cappella music (provided by Mr. Mech in late March) to sing with current members of the choir.
